---

Windows 8.1 Black Alien Edition adds a series of new features to the Windows 8.1 OS including the Windows Defender Application Guard, integration with Windows Hello, new keyboard shortcuts, and more. Black Alien Edition is available as a free upgrade to Windows 8.1 users and can be installed alongside your current OS. What's New: Windows Defender Application

Guard Windows Defender Application Guard allows you to isolate and protect individual applications from known and unknown threats. When an application is launched, Windows Defender Application Guard decides whether the application is trusted, or a potentially malicious application, then it can be allowed to run. Windows Hello: You can now unlock your PC by using your face and iris. Windows Key + Y: Open the Windows System Context Menu Windows Key + X: Open the Start Menu Windows Key + I: Open the task manager Windows Key + U: Show keyboard shortcuts Windows Key + P: Open Settings app Windows Key + M: Open the Action Center Windows Key + W: Open the Search charm Windows Key + E: Open the Share charm Windows Key + F: Open the File Explorer Windows Key + K: Open the task manager Windows Key + L: Open the Control Panel Windows Key + T: Open the Task Manager Windows Key + C: Open the calculator Windows Key + B: Open the calculator Windows Key + N: Open Calculator Windows Key + O: Open Notepad Windows Key + D: Open the desktop Windows Key + S: Open the Start Menu Windows Key + F1: Open Help and Support Windows Key + F2: Open Settings Windows Key + A: Open the Start menu Windows Key + W: Open the Settings app Windows Key + R: Open the Run dialog Windows Key + H: Show hidden files Windows Key + O: Open the task manager Windows Key + P: Open the start menu Windows Key + I: Open the Start 82157476af
